

Launch 32² Conference

A MULTIPLICATION CONVERSATION

What:

For almost a decade now, pastors from Ohio, Michigan, and Indiana have gathered in late August in Lima, Ohio. The goal of this one-day event was to spark conversations about multiplication among our Movement in the Midwest, and it has certainly accelerated the multiplication thinking throughout the region.

With the addition of Illinois Ministries to the Midwest Multiplication Initiative, now a four-state partnership along with Healthy Growing Churches, we have asked some important questions about this annual event.

Do we still want to host an annual event for the region? Yes!

Is it time to make some changes to this event? Yes!

Is it time for a name change? Yes!

Therefore, we changed the event's name and location!

The Launch 32 Conference is annual gathering for pastors and church leaders from Ohio, Michigan, Indiana, and Illinois! The purpose of this event each year will be to inspire, challenge, and provide resources for church leaders throughout the region to launch new multiplication ventures.

We are also thrilled to announce that Daniel Yang will be our presenter this year (see bios below). Daniel is key thought leader in the multiplication conversation in the U.S. and beyond. Daniel is also leading on the cutting edge of a kingdom multiplication effort in Chicagoland. His voice will inspire, challenge, and provide resources for us in August.
